

"PETITION to Remove Janet Napolitano from Office"

In response to Janet Napolitano, Homeland Security Secretary, referring to honest, moral, law abiding citizens of the United States of America as Right Wing Extremists, in an attempt to antagonize and insult, Tea Party Protesters in releasing her report: "Rightwing Extremism: Current Economic and Political Climate Fueling Resurgence in Radicalization and Recruitment." Without due consideration that The People of this Nation have a Constitutional Right, if not a Constitutional Mandate to exercise these rights.

We the undersigned demand the immediate removal of Janet Napolitano as Homeland Security Secretary of the United States of America.

Further, Homeland Security Secretary, Janet Napolitano, has labeled the United States Armed Forces as a possible threat to the very Nation they have sworn to protect. Also she has grossly insulted the intelligence, honor, morals and integrity of those who are fortunate enough to return after serving their Government in foreign lands.

Further, we request she not be allowed to hold a public position in which she may have the opportunity to further insult and/or oppress and /or intimidate the citizens of the United States of America further. Your consideration is greatly appreciated.

Recent information has come to light that Janet Napolitano does not uphold or enforce immigration / deportation of illegals living in America. It's obvious Janet Napolitano actually endorses and supports those organizations which help illegals remain in this Nation illegally! Americans Demand her Removal from Office!

We have sent 1,871 letters to Congress so far. Please join us!
