

## "BSET & MSET PROGRAMS"

WE THE STUDENTS ENROLLED IN FLORIDA'S ETAA PROGRAMS HAVE BEEN INFORMED THAT THE PROGRAMS "BSET & MSET" ARE GOING TO BE CANCELED DUE TO FINANCIAL ISSUES. THIS WILL end OUR opportunity to finish these 4 and 6 YEAR DEGREE PROGRAMs. If these degree programs are cancelled then all of the hard work we have put toward this will have been in vane. Nothing is more troubling than to have our personal investments toward our path to graduation and career development closed without a detour! We need your support to ensure that these degree programs are allowed to continue. Each provides a career development opportunity that is a vital part of the success of our state's high technology corridor. Without it the development of a properly educated and sustainable high tech local workforce will be jeopardized.
